The **STYLE**

5

Combining the very latest technology with the well proven "traditional" semi-automatic machine format, the Style 5 is an extremely good looking machine, featuring high cup capacity, simplicity of operation and a well earned reputation as the benchmark of the industry to which others are frequently compared.

Drink selection is simplicity itself with an incredibly user friendly push button system and indicator lights to guide users through every step of making their chosen drink.

Style 5 shown with matching base cabinet

Style 5 (shown here in optional PG Tips livery) partnered with the WaterBoy rehydration station

DRINK SELECTION

For a delicious and refreshing hot drink, this feature packed semi-automatic machine offers a choice of 5 delicious in-cup drink selections and has a capacity of over 300 cups.

To enjoy the hot drink experience yet further, an optional capacity upgrade module extends this astonishing machine's cup capacity to well over 500 cups.

Style 5 partnered with the SnackBreak MINI (shown here both featuring optional Kenco livery) - the ideal "pick me up" station

Style 5 (shown here in optional Café Direct livery) partnered with the IceBreak can dispenser - a superb total refreshment solution

OTHER FEATURES

Hot water as standard, refrigerated cold water option available
